March 16

April 20

May 18

Library- Ms. Becker

Reminder to keep turning in your library books on time! We have had a really good few months! Keep it up!!

Snow and library books don't mix! Be careful where your student stores their library books. My favorite spot is in the child's backpack, when it isn't being read of course!

PE - Mr. Mohr

Has your child outgrown their shoes?! Don't know what you do with them? Donate them to us for PE! If your child has outgrown their shoes and they are still in usable condition please feel free to bring them to the gym. We have seen an increase in students forgetting their PE shoes during the winter and having extra shoes for students to borrow and wear for PE would be great! Thanks.

Art - Miss Smith

It's been great to be back for a whole week with your student artists in the studio!

We have enough toilet paper rolls! Thanks for all of your help on this. The second graders will be creating a project with them later this year.

4th grade - We will begin a weaving project in the next couple weeks. There is yarn available in the art studio, but if they'd like specific colors or specialty yarn, they may bring in their own. However, I do not have room to store it in the art studio.

5th grade - Your students will be creating a mandala using stitching techniques. There is yarn available in the art studio, but if they'd like specific colors or specialty yarn, they may bring in their own. However, I do not have room to store it in the art studio.

Remember that your child should be bringing books home in their bag 1 time a week:)

School Safety

By Dr. Brian Maher, Superintendent

No matter your political affiliation or your interpretation of the U.S. Constitution and its Amendments, we can all agree that the tragic school shooting in Parkland, FL and all others before it, have changed what was once considered a “normal” day in our nation’s schools. Playground behavior and student attendance will always remain high on our list of challenges, but student and staff safety crept to the top spots years ago.

For nearly a decade now, the Sioux Falls School District has been actively reviewing, revising and practicing its safety plans under the watchful eye of an onsite Risk Manager and our partners with the Sioux Falls Police Department. Walk-throughs are done annually at each building to review placement for security cameras to eliminate possible trouble spots. Each school identifies a team of highly-trained staff to assist with practice drills and safety exercises. Resources are available at each school to aid in responding to a real emergency.

Let me just validate that it is reasonable for you, as parents and community members, to ask about the plans your schools have in place. Some have asked to see our plans. However, making those plans available to even one person makes every student and staff member vulnerable.

What I can share with you is that these plans are crafted, revised, and reviewed regularly by a 2-Star Retired Major General of the US Army. Robert Bray’s military uniform has rows of ribbons to mark his accomplishments. In his civilian clothes, we are incredibly lucky to have him serving as the District’s Risk Manager in charge of coordinating all emergency response protocol. Ret. MG Bray is quick to note that simple, but early interventions - such as people speaking-up when they have a concern - are the best prevention. “See Something, Say Something” is a phrase we repeat often as a reminder of the responsibility each of us have in keeping our schools safe.

It is certainly a “new day” in our nation. Students, parents, staff members, lawmakers, and other influential people are having important conversations about how schools can be safer. The Florida tragedy is sparking student activism to the extent that we have not seen in recent years. Through it all, your public schools will continue to teach the basic freedoms assured to each of us by the writers of the U.S. Constitution more than 200 years ago.

Words and actions that remain respectful are the only way to move our country forward.

2018 ACE Musical Sponsorship Opportunities

The All City Elementary (ACE) 2018 spring performance will be a unique rendition of Aladdin, Kids. Each year, the ACE musical brings to life a classic and loved musical to sold-out crowds. **Aladdin Kids will be performed in two shows at The Meredith Auditorium on the University of Sioux Falls' campus on March 22nd, 2018.** There will be a matinee at 10 am and an evening performance at 6:30 pm.

Each year, the All City Elementary School musical showcases every 4th and 5th grade student with a speaking part or a role as stage hand, and has the younger grades, K-3, all participate as the chorus. Your advertisement will be included in the Aladdin Kids playbills and be placed in the hands of over 1,500 people who are thankful for your investment in ACE and our community.

Please make your tax deductible checks out to All City PTO. The All City PTO is a 501c3 nonprofit organization. Proof of 501c3 status will be sent to you upon request.
