Did you know?

Computer science drives innovation in the U.S. economy and society. Despite growing demand for jobs in the field, it remains marginalized throughout the U.S. K-12 education system. (code.org)

How can we promote computer science in the elementary classroom? It begins with learning how to code. Matt Harrell, founder of MemberHub.com, says, "Children want to learn how to code. They want to learn how to make tablets and computers do useful things. They want to learn how to build websites. It's actually a very cool thing to them." <https://www.edutopia.org/blog/add-coding-elementary-curriculum-now-matt-harrell>

He also adds, that while "cool" is nice, what really matters are the lasting benefits of building these skill sets:

Logical thinking
Problem solving
Persistence
Collaboration
Communication

Those five skills are what we are hoping to build upon at All City in the coming months. Teachers have put together plans for students to engage in coding activities in their Family groups using the items purchased with money from the Spaan family's donation. Students will be encouraged to collaborate with others to solve problems. The tasks they will be doing will encourage logical thinking, persistence and communication. They will also be very engaging for our students! We look forward to seeing what our students are able to do while working together.

Here is a look at our week:

Math: We are starting our unit about measuring. There are a couple of times where students are asked to measure things at home. Take this opportunity to let your child teach you what they are learning :-)

2017 ACE MUSICAL

SPONSORSHIP OPPORTUNITIES

Disney THE LION KING KIDS

March 23, 2017 | 10 am & 6:30 pm

The All City Elementary (ACE) 2017 spring performance will be a unique rendition The Lion King, KIDS. Each year, the ACE musical brings to life a classic and loved musical to sold-out crowds.

The Lion King, KIDS will be performed in two shows at The Meredith Auditorium on the University of Sioux Falls' campus on March 23. There will be a matinee at 10 am and an evening performance at 6:30 pm.

Each year, the ACE school musical showcases every 4th and 5th grade student with a speaking part or a role as stage hand, and has the younger grades, K-3, all participate as the chorus.

Your advertisement will be included in The Lion King, KIDS playbills and be placed in the hands of over 1,500 people who are thankful for your investment in ACE and our community. Please make your tax deductible checks out to All City PTO. The All City PTO is a 501c3 nonprofit organization. Proof of non-profit status will be sent upon request.

Hello All City Elementary!

This year we will be again participating in FundingFactory.com recycling of empty inkjet and toner printer cartridges. If you have any of these empty inkjet or toner printer cartridges at home simply bring them to the parent/staff room and I will do the rest.

If your business or place of employment (or Grandparents or neighbors place of employment) is not already participating in a recycle program, you can ask to take this e-waste off of their hands.

Some people like a letter or script to ask.. here you go :) (If you want some printed out with specifics please contact Donna and she can make that happen!)

Dear ,

This year my child's/grandchild's/neighbors school, All City Elementary PTO, is participating in FundingFactory.com recycling of empty inkjet and toner printer cartridges.

It's win-win. As a Business Supporter, you'll have the ability to vastly increase the amount of e-waste your company can recycle and the amount of money ACE PTO fundraise this year.

Our eco-friendly Business Support Program is a cinch to implement.

We simply need to know 1. Does your company participate in a recycling of empty inkjet and toner printer cartridges? 2. If not, could my sons/daughters/grandchild's/neighbors school be the recycling program? 3. If so, could you please tell me the name/number of the cartridges so I can double check they qualify under FundingFactory.com list? 4. Once I double check to make sure they are on the recycling list this year, I will contact you to set up how the empty inkjet and toner printer cartridges will be picked up.

Thank you so much for recycling with us! All City Elementary PTO

BE A RECYCLING SUPERHERO!

Start recycling used toner and inkjet printer cartridges.

You'll help us earn cash and supplies
while keeping our Earth clean and green!
